To the outside world a trailer today looks much the same as it's done for decades. Within the industry, however, we know that really isn't true. The modern trailer is a triumph of technology: easier to work with, safer and more efficient – but undeniably more challenging for mechanics. Fortunately there's the WABCO Trailer Training Model to help with that.

Entrepreneurship and Innovation. Why Startups Offer Stock Options In tech startups stock options were here almost from the beginning, first offered to the founders in 1957 at Fairchild Semiconductor, the first chip startup in Silicon Valley. As Venture Capital emerged as an industry in the mid 1970's, investors in venture-funded startups began to give stock options to all their employees.
