### **USAJOBS - Job Announcement**

Competency interviews and competency-based questions regularly crop up in graduate recruitment processes. Employers identify the skills and abilities (competencies) that are vital for working in their organisation and they use these as selection criteria for choosing new recruits.

### **How to answer typical competency-based interview questions**

2) Helical Gear-Helical gears have their teeth inclined to the axis of the shafts in the form of a helix, hence the name helical gears. These gears are usually thought of as high speed gears. Helical gears can take higher loads than similarly sized spur gears. The motion of helical gears is smoother and quieter than the motion of spur gears.

### **Types of Gear ~ Mechanical Engineering**

The world's most valuable brand is known to pretty much everyone. Wherever you see the logo of the Californian technology company Apple, featuring a fruit of the same name with a bite taken out of it, you automatically associate this with next-generation technology and top-quality products.
