Internet Web Multiple Choice Questions

The method of creating this multiple choice quiz template is by using invisible hyperlinks (also called invisible buttons or hotspots). The invisible hyperlinks are placed over the various answers on the PowerPoint slide. When an answer is selected, the slide changes to show whether the answer was correct or incorrect.

Modify PowerPoint Template for Multiple Choice Quiz

The Internet (portmanteau of interconnected network) is the global system of interconnected computer networks that use the Internet protocol suite (TCP/IP) to link devices worldwide. It is a network of networks that consists of private, public, academic, business, and government networks of local to global scope, linked by a broad array of electronic, wireless, and optical networking technologies.

An Internet forum, or message board, is an online discussion site where people can hold conversations in the form of posted messages. They differ from chat rooms in that messages are often longer than one line of text, and are at least temporarily archived. Also, depending on the access level of a user or the forum set-up, a posted message might need to be approved by a moderator before it ...
