Austin Firefighter After Seminar Prep - fireprep.com

The NFSI firefighter test has been designed by I/O Solutions to measure abilities that are important in a successful career as a firefighter. The test is divided into two sections, the first section assess non-cognitive traits and includes a measure of personality attributes, and the second section is an assessment of cognitive abilities.

NFSI Test Preparation - Firefighter-test.com

But as far as the personality test goes - I've heard that it nearly always varies from department to department. They get to select what traits/characteristics they want. Personally, I'd answer it honestly. If you've had this test before, you may not pass it one place, and pass it in another by answering the same way.
