At the same time, John Hostetler points out that Amish may go to great lengths to achieve relief for physical ailments, and the issue of the health of others in the community is often of great concern (Amish Society, Hostetler pp322-5). It is not uncommon for Amish to travel great distances in seeking medical treatment, to out-of-state clinics or even to Mexico.

A social issue is a problem that influences a considerable number of individuals within a society. It is often the consequence of factors extending beyond an individual's control, and is the source of a conflicting opinion on the grounds of what is perceived as a morally just personal life or societal order. [clarification needed] Social issues are distinguished from economic issues; however ...

The Liturgy begins with the asperges, or purificatory ceremony. Asperges is simply the Latin for the opening words of the antiphon "Thou shalt sprinkle," for it is constantly the custom in the Church to use the first word or words of a psalm or canticle as its name.. The procession having already stirred up the people and assisted them to become united in thought and feeling, the celebrant by ...
