Few scientists have had more insight into the physical workings of the mind than the great neurobiologist John Eccles. His partnership with Karl Popper produced years of conversation about the interaction between a non-material mind and the material brain. He and Popper were both dualists. His "philosophical position was diametrically opposite to those who would relegate conscious experience to ...

Subway is a big ship. That might be one of the true understatements of the restaurant world. Even with a declining restaurant count reflective of a relocation and revitalization strategy in recent years, the world's largest quick-service chain ended 2017 with 25,908 U.S. locations. And since July of last year, Subway rolled out the headliner "Fresh Forward" design in 465 locations, says ...
