A joke is a display of humour in which words are used within a specific and well-defined narrative structure to make people laugh and is not meant to be taken seriously. It takes the form of a story, usually with dialogue, and ends in a punch line. It is in the punch line that the audience becomes aware that the story contains a second, conflicting meaning.

Muhammad (Arabic: مُحَمَّد , pronounced ; c. 570 CE – 8 June 632 CE) was the founder of Islam. According to Islamic doctrine, he was a prophet, sent to present and confirm the monotheistic teachings preached previously by Adam, Abraham, Moses, Jesus, and other prophets. He is viewed as the final prophet of God in all the main branches of Islam, though some modern denominations diverge ...

Discourse analysis offers a powerful toolbox for analysing political communication, but it also has its pitfalls. Aside from being very work-intensive, the idea that you only need to follow a certain number of steps to get your results can be misleading. A methodology is always only as good as your question. If your question does not lend itself to this sort of analysis, or if many of the steps I ...

After reviewing each paper, two researchers independently attempted to classify the articles into emergent themes. An initial coding scheme for classifying the primary focus of each article was developed, and after numerous discussions and iterations was finalized into the nine subthemes listed in Table 1. To obtain an initial assessment of reliability, we independently coded the references to ...
