### **Human - Körperwelten**

However, at least one study has indicated that people who follow a fasting diet may have better heart health than people who don't. This may be because people who routinely fast show self-control over how many calories they eat and drink, and this behavior may translate into weight control and better eating choices when they aren't fasting.

HAIR . The highest part of the human body is the hair.This complex subject is so large that I needed a separate paper to explain it. That study is titled HAIR.. HEAD . As HaShem is more revealed in the Bet HaMikdash, so, the soul is concentrated in the head.. The Jews are called Israel because the letters can be switched around to form the words, Li Rosh ("to me as a head") [11].
