Web developers design and create websites. They are responsible for the look of the site. They are also responsible for the site's technical aspects, such as its performance and capacity, which are measures of a website's speed and how much traffic the site can handle. In addition, web developers may create content for the site.

Web Developers : Occupational Outlook Handbook: : U.S ...

Disability Payments. For tax years ending after September 10, 2001, disability payments (including Social Security Disability Insurance (SSDI) payments) are not included in income if they are for injuries incurred as a direct result of a terrorist attack (including the September 11 attacks, anthrax attacks, and Oklahoma City attack) directed against the United States (or its allies).
