Studies show that afterschool programs are beneficial for both children and adolescents. A 1994 long-term study by Posner and Vandell found that children in structured, academic afterschool programs had increased academic achievement when compared to their peers. Researchers chose a pool of children who had taken part in some sort of after-school program and another pool of children who did ...

A while back I wrote about the mistakes I initially made when purchasing life insurance policies for myself and my wife, and one of the things I mentioned was that at the very least I was relieved we had avoided buying whole life insurance. In response, a reader left the following comment: "General consensus is that you shouldn't view insurance as an investment."
