Note that the numbers above do not correspond to a percentile, but are notionally a percentage of the maximum raw marks available. Various tertiary institutions in Australia have policies on the allocations for each grade and scaling may occur to meet these policies. These policies may vary also according to the degree year (higher percentages for later years), but generally, only 2-5% of ...

Academic grading in Australia - Wikipedia

Primary education also called an elementary education is typically the first stage of formal education, coming after preschool and before secondary education (The first two grades of primary school, Grades 1 and 2, are also part of early childhood education).Primary education usually takes place in a primary school or elementary school.In some countries, primary education is followed by middle ...
