### **How To Answer Questions**

Responding to questions. One of the main problems with question and answer sessions is that the presenter's nerves frequently force an inappropriate response. This could be because a question has been misinterpreted or that only key words from the question have been heard rather than the full content.

### **Responding to questions effectively — University of Leicester**

"Discuss" the question. Sometimes it seems like people are looking for a specific answer to a question, when really they just want to have their question discussed. There really isn't a singular answer to give. They want to hear both sides of an idea, or they just want to know that you've been thinking about it too,...
