Introductory Paragraphs. The introductory paragraph is the first-paragraph in the persuasive essay. I teach my students that their introductory paragraphs should have three parts: an attention-catcher, a thesis, and a preview. The introductory paragraph is perhaps the most important paragraph in the essay because it is the first and possibly last chance to make an impact on the reader.

During the Golden Age of Islam, especially during the 9th and 10th centuries, mathematics saw many important innovations building on Greek mathematics. The most notable achievement of Islamic mathematics was the development of algebra. Other notable achievements of the Islamic period are advances in spherical trigonometry and the addition of the decimal point to the Arabic numeral system.
