Maxwell's equations are a set of coupled partial differential equations that, together with the Lorentz force law, form the foundation of classical electromagnetism, classical optics, and electric circuits. The equations provide a mathematical model for electric, optical, and radio technologies, such as power generation, electric motors, wireless communication, lenses, radar etc. Maxwell's ...

"Hi, I'm Jimmy Carter, and I'm going to be your next President." These were the first words many Americans ever heard from Jimmy Carter. A one-term governor from the Deep South with no Washington experience, professional political observers dismissed his candidacy as the longest of long shots. But the born-again Christian and peanut farmer from Plains, Georgia knew something the experts didn't.
