The Los Angeles Rams are a professional American football team based in Los Angeles, California, and compete in the National Football League's NFC West division. The franchise won three NFL championships, and is the only one to win championships representing three different cities (Cleveland in 1945, Los Angeles in 1951, and St. Louis in 1999).The Rams play their home games at the Los Angeles ...

Los Angeles Rams - Wikipedia

Professional American football, especially its established top level, the National Football League (NFL), has had a long and complicated history in Los Angeles, which is the center of the second-largest media market in the United States. Los Angeles was the first city on the West Coast of the United States to host an NFL team of its own, when the former Cleveland Rams relocated to Los Angeles ...

This study was carried out by Jerry Burger. It is a partial replication of the famous Milgram study, with alterations to make it more ethical and an IV to test the hypotheses in more detail. One of Milgram's variations was Variation #5, which included the idea of the learner having a “heart condition” in the script. In Variation #17, there is a second teacher (also a confederate), who ...
