### **How Long Is A Short**

Traders often say I am "going short" or "go short" to indicate their interest in shorting a particular asset. Similar to the example of going long, if you go short on 1,000 shares of XYZX stock at \$10, you receive \$10,000 into your account, but this isn't your money yet.

### **The Difference Between Long and Short Trades**

For example, an individual buys (goes long) one Tesla (TSLA) call option from a call writer for \$28.70 (the writer is short the call). The strike price on the option is \$275 and TSLA currently ...

### **The Difference Between a Long and Short Market Position**

There are general guidelines for each literary category: Short stories range anywhere from 1,500 to 30,000 words; Novellas run from 30,000 to 50,000; Novels range from 55,000 to 300,000 words, but I wouldn't recommend aiming for the high end, as books the length of War & Peace aren't exactly the easiest to sell.

### **Novel and Short Story Word Counts | Writer's Digest**

It could be six weeks from the date of listing to the date of closing. It could take 30 days. But most short sales will close in three to four months. Again, it depends on the bank. Some Bank of America short sales get approvals in fewer than 30 days. Wachovia short sales can sometimes turn around in 24 hours.

Stock Purchases and Sales: Long and Short. Having a "long" position in a security means that you own the security. Investors maintain "long" security positions in the expectation that the stock will rise in value in the future. The opposite of a "long" position is a "short" position.

### **Stock Purchases and Sales: Long and Short | Investor.gov**

Long/short equity is an investment strategy generally associated with hedge funds, and more recently certain progressive traditional asset managers. It involves buying equities that are expected to increase in value and selling short equities that are expected to decrease in value.

### **Long/short equity - Wikipedia**

When is a Short Story Too Long? I've always been fond of Edgar Allen Poe's description of the short story as a work of fiction that can be read in a single sitting. I like that Poe defines the short story form largely by focusing on the reader's interaction with the text, and I like that he places a time limit on this interaction—a ...
