Young people in the child welfare system, most of whom have experienced trauma and frequent loss, have all the same capabilities as children without such experiences, but face multiple obstacles to reaching their full potential. Often, they are more accustomed to transition than stability, and they lack a consistent, positive support system, making it difficult for them to envision and then ...

This is not a love letter. This is me pouring out my love, not the kind you think of, the mushy gushy romanticized crap you want. No, this is raw, unadulterated affection for you and your soul. For the purposes of this letter, I am going to disregard the fact that you are ignoring me and that we do ...

Preface to the 'Home Education' Series. The educational outlook is rather misty and depressing both at home and abroad. That science should be a staple of education, that the teaching of Latin, of modern languages, of mathematics, must be reformed, that nature and handicrafts should be pressed into service for the training of the eye and hand, that boys and girls must learn to write English ...

Don't be fooled by the reviews claiming this is an artsy giallo. This is a surreal and extremely tactile movie about female sexuality and senses, with no exploitation, by way of an homage to classic Italian horror.

I'm imagining something really, really ridiculous for the Nursey/Dex soulmate AU/First Time Au like... okay Soulmate AU where they have each other's first names or full names or whatever on their body somewhere, it's typically covered as per society's whatevers, neither of them go around advertising their marks

im 24 years old i live in manchester england i been smoking weed on a daily basis since i was 14, i blown thousands of pounds on it i used to get it on tick off a lad and by the end of the week id owe him more than what i was getting paid. i have numerous people who will drop it off at my front door (they act pally but i know they just want the 20 pound note thats being hidden in my hand). i ...

As an amusing side note, in a science essay called "The Sight Of Home" Isaac Asimov once calculated how far an interstellar colony would have to be from Terra before Sol was too dim to be seen in the colony's night sky with the naked eye. Turns out that colonies further than 20 parsecs (65 light-years) cannot see Mankind's Homestar, because Sol's apparent magnitude is dimmer than 6.

The What the Hell is it Actually Called Blue Box. The cerebrum is the whole big top/outside part of the brain but it also technically includes some of the internal parts too.. Cortex means “bark” in Latin and is the word used for the outer layer of many organs, not just the brain. The outside of the cerebellum is the cerebellar cortex. And the outside of the cerebrum is the cerebral cortex.
