Trade generates efficiency gains. If we look at country-level data from the last half century we find that there is a correlation between economic growth and trade: countries with higher rates of GDP growth also tend to have higher rates of growth in trade as a share of output.. This basic correlation is shown in the chart below, where we plot average annual change in real GDP per capita ...

Areo magazine has published another essay of mine, *Bravado in the Absence of Order*, which examines why African-American urban communities have such high rates of homicide and other violence. The essay uses medieval history, and contemporary societies other than the US, to illuminate social patterns that are less clear if one just looks at the US in isolation.

I got a feeling that the journey has just begun. Gorsuch is a monster and a sadist. "Neil Gorsuch Just Made Death Worse: In an appalling majority opinion, Gorsuch endorses pain-filled deaths for people subjected to capital punishment. This week, Gorsuch wrote a majority opinion that was both shockingly cruel and entirely consistent with arch-conservative thought.
