What 10 grade math course should it enroll in Integrated math or Algebra 2? I am currently taking geometry and i've already taken and passed Algebra 1 HSA (high school assessment). So to meet my high school requirements I need just one more math course and then im done with math.I want to take Integrated math to get a easy A but I also want to challenge myself so maybe algebra 2 will be better?

### **10th grade classes?HELP? | Yahoo Answers**

Integrated Math 1 is designed to combine some of the basic principles of Algebra, Geometry, and Statistics. Students will deepen and extend their understanding of linear relationships and be introduced to exponential functions, modeled through data.
