The inclusion of this clause became a source of criticism for those who opposed the ratification of the Constitution, and Anti-Federalists were concerned that the clause would grant the federal government unlimited power. It has, in fact, been used over the years to expand the scope of the federal government (along with the Commerce Clause).

Best answer: The difference is, of course, that the USA elects a president and a legislature separately, while in a parliamentary system, the people just elect a legislature and who governs is the leader of the winning party. For one thing, in a parliamentary system, you never get a legislature that is against the head of government.
