Subjective vs Objective . In stories, newspapers, and the spoken word, people all over the world are trying to convince you to think as they do. They are bombarding you with facts and figures, opinions and projections.

### **Difference Between Objective and Subjective**

Want vs Need. When it comes to owning or acquiring certain things, people would often use the terms 'want' and 'need' interchangeably. In many cases, the manner in which people would use these two terms can lead one to perceive that these two have similar meanings, if not mean absolutely just the same thing.
