1.. IntroductionFor almost a decade now there has been considerable discussion in the literature on Business Process Reengineering (BPR) and today there still remains considerable confusion, particularly amongst managers, as to exactly what constitutes BPR and how it is different from other change initiatives such as Total Quality Management.

Business Process Reengineering A review of recent ...

Students must be taught to write and then be expected to write for a variety of purposes to a variety of audiences, including in mathematics, science, and social studies. As part of building the writing prowess of students, they must write routinely, both short and long pieces. As part of a comprehensive writing curriculum, students' writing fluency should be fostered,
