Ask students to create a creature with adaptations that help it survive in this environment. Encourage them to look to other creatures in similar habitats to identify features and characteristics that would help this creature thrive in its habitat.

Create a Creature | Creative Educator

Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.

Biology with Lab - Easy Peasy All-in-One High School
