Google Questions and Answers (Google Otvety, Google Ответы) was a free knowledge market offered by Google that allowed users to collaboratively find good answers, through the web, to their questions (also referred as Google Knowledge Search). It was launched on June 28, 2007 and replaces the fee-based Google Answers service, discontinued on December 1, 2006.

- When you go to generate new ideas to run things better you need to think critically about the way your business runs. I like to look at three things, a business model blow-up, a revenue blow-up, and a cost blow-up. On the business model blow-up, fundamentally rethink about how you go to market. Even rethink what your market actually is.
