Identify your customer touchpoints. The best way to find these touchpoints is by thinking like a customer who has never experienced your brand before and is going through the entire process of doing business with you. Common touchpoints include: Before the transaction: This could be one of your marketing efforts like ads, online testimonials or social media activity; customers can also form an ...

The first immigrants barred from entering the U.S. on the basis of race were Chinese laborers in the late 19th century. Li Wei's choices reflect the ways in which these immigrants had to navigate policies specifically designed to keep them out or to make it as difficult as possible to attain the normal features of immigrant life: an income, a home, and a family.

What would you do? Take an immigrant's journey.

The Hero with a Thousand Faces (first published in 1949) is a work of comparative mythology by Joseph Campbell. In this book, Campbell discusses his theory of the mythological structure of the journey of the archetypal hero found in world myths.. Since the publication of The Hero with a Thousand Faces, Campbell's theory has been consciously applied by a wide variety of modern writers and artists.

Thus, we define service experience as the period during which all service encounters relevant to a core service offering may occur. This concept comprises pre- and post-core encounters, as well as the encounters built into the core service provision as "moments of truth" that influence customer

outcomes.

Service encounters, experiences and the customer journey ...

Table 2 presents HPM's customer journey map for its pre-service period. The key customer touchpoints during this period are a mall shopper's previous visits to the mall, conversations about the mall with others, and experience with advertising stimuli (e.g., seeing a highway billboard on the way to the mall).
