Capacity Building Series - edu.gov.on.ca

Inquiry-based learning is not a new teaching strategy. In fact, you most likely learned about it in college while studying about John Dewey's educational reform. Dewey set out to advocate child-centered learning that was based on inquiry and real-world experiences.

All About Inquiry-Based Learning - teachhub.com

From their very first day in school, students should be actively engaged in learning to view the world scientifically. That means encouraging them to ask questions about nature and to seek answers, collect things, count and measure things, make qualitative observations, organize collections and observations, discuss findings, etc. Getting into the spirit of science and liking science are what ...

The Religion Curriculum P-12 involves four strands: Sacred Texts, Beliefs, Church and Christian Life. These strands are interrelated and are taught in an integrated way, and in ways that are appropriate to specific local contexts.

Religion Curriculum P-12

Check your answers against the key on page 15. How did you do? Are you getting a better feel for what makes a question essential? Good! Now we'll probe more deeply to uncover the nuances of EQs.

What Makes a Question Essential? - ascd.org

Recall that we define inquiry teaching using the National Science Education Standards (NSES) definition introduced in the introduction. Table 1 decomposes that definition into its six constituent parts and shows how the nine items from the PISA inquiry-based teaching scale map against them. The table shows that each of the six components of the NSES definition are measured by two or more items ...
