'Form' and 'function' are two extremely important concepts that you need to know about to fully understand how grammar works. Surprisingly, there is no overt reference to these terms in the UK National Curriculum. 'Form' refers to the category labels we use for the building blocks of grammar, i.e. word classes, phrases, and clauses. Consider the following...

But as soon as you start to generalize and assume, for example, that subjects are always actors, you will get into trouble. You will save yourself a great deal of confusion if you distinguish form, grammatical function and semantic function carefully. As we proceed, take note of when we are discussing form and when we are discussing function.
