The Three-Fifths Compromise was a compromise reached among state delegates during the 1787 United States Constitutional Convention. Whether and, if so, how slaves would be counted when determining a state's total population for legislative representation and taxing purposes was important, as this population number would then be used to determine the number of seats that the state would have in ...

According to some observers, Heritage's success over the years is due in part to its unique blend of sound-bite policy proposals and congressional marketing, which gradually eroded the notion of think tanks as centers of nonpartisan scholarship. With success in policymaking its ultimate bottom line, Heritage helped launch a new breed of advocacy outfits driven by ideology and — increasingly ...
