Program description of Cognitively Guided Instruction (CGI). The Programs that Work section of the Promising Practices Network (PPN) site features descriptions of evaluated programs that improve outcomes for children. PPN programs are organized by four major outcome areas, and sub-categorized by indicators within each outcome area. Programs are also categorized by topic area and by evidence level.

Hi all, Here's my latest instalment for the Guided Reading section on the TES! This is the Story of The Stone Age Boy on PowerPoint with a comprehension to go with it. You can either read the story to the children and let them 'watch' the PowerPoint and answer the questions as they go, or let them complete it from memory once you've read through it and discussed the text slide by slide - it's ...
