The OWASP Austin Study Group is intended to provide an organized gathering of like-minded IT professionals who want to learn more about application security. This is done through mini-discussions, demos, presentations, and series of meetings to cover more involved topics (i.e. book topics). Generally the topics will be participant-led, meaning that attendees will volunteer their time to ...

In physics, spacetime is any mathematical model that fuses the three dimensions of space and the one dimension of time into a single four-dimensional continuum. Spacetime diagrams can be used to visualize relativistic effects such as why different observers perceive where and when events occur differently.. Until the turn of the 20th century, the assumption had been that the three-dimensional ...
