Tableau Case Statements: Usage of the CASE statement from programming languages as like C to C++ or even to Java doesn't differ much. To that point, the CASE statements can be used on RDBMS servers like Oracle, SQL Server and the like.

Introduction To Tableau Case Statements - Mindmajix

Lisp (historically LISP) is a family of computer programming languages with a long history and a distinctive, fully parenthesized prefix notation. Originally specified in 1958, Lisp is the second-oldest high-level programming language in widespread use today. Only Fortran is older, by one year. Lisp has changed since its early days, and many dialects have existed over its history.
