Integrated Algebra Regents Examinations (2005 Standard)

In New York State, Regents Examinations are statewide standardized examinations in core high school subjects required for a certain Regents Diploma to graduate. To graduate, students are required to have earned appropriate credits in a number of specific subjects by passing year-long or half-year courses, after which they must pass at least five Regents examinations in some of the subject areas.

Regents Examinations - Wikipedia

I didn't know that they were available on-line. Now I do. I think someone in each school (chapter leader, committee member, interested teacher/secretary/counselor ...

So the change in population is 9,000. The percentage of population loss is just the change in population divided by the original population. Turn 0.134 into a percent so that we get 13.4%. So the percent of population loss is 13.4%. To find the percent decrease, we need to calculate the difference ...
