**Kumon advances early childhood development**

From the very beginning of the Kumon English Programme we develop a child's approach to study so they can learn with enjoyment and success. Following the instruction and the intention of the worksheets, the child learns how to connect sounds to written words, and then begins to write those sounds with confidence, developing their ability to read, and their study skills.

What is "Mastery" and why is it so important? In the Kumon curriculum, mastery is defined by two unambiguous criteria - speed and accuracy. When students are able to complete a particular packet with good accuracy and within the standard completion time (SCT), they have achieved mastery of that set. They now have the skills and the proficiency necessary to proceed into more advanced work with ...
