### **Jump at Home: Grade 7: Grade 7, Book by John Mighton ...**

JUMP Math is a numeracy program. JUMP Math is dedicated to enhancing the potential in children by encouraging an understanding and a love of math in students and educators. JUMP Math replaces the self-fulfilling myth that some people are born with mathematical ability while others do not have the ability to succeed with assumptions that all children can be led to think mathematically.

That means JUMP at Home Math for the early grades might not be the best choice for parents who do not have the time to work closely with their children. Once past second grade, students might be able to work more independently. The first grade book begins gently with counting, numeral identification, numeral writing, one-to-one correspondence.
