Life of Fred offers a Complete Math Education from addition through two years of calculus . . . and beyond. -----more mathematics than any other homeschooling curriculum we know of.

### Catalog of books - stanleyschmidt.com

The origins of algebra can be traced to the ancient Babylonians, [page needed] who developed a positional number system that greatly aided them in solving their rhetorical algebraic equations. The Babylonians were not interested in exact solutions but approximations, and so they would commonly use linear interpolation to approximate intermediate values.

### History of algebra - Wikipedia

WAMAP is a web based mathematics assessment and course management platform. Its use is provided free to Washington State public educational institution students and instructors.
