Old Earth creationism is a form of creationism which includes gap creationism, progressive creationism, and theistic evolution. Old Earth creationism is typically more compatible with the scientific evidence on the issues of physics, chemistry, geology, and the age of the Earth, in contrast to young Earth creationism.

Old Earth creationism - Wikipedia

Introduction. As I have previously discussed, belief that the earth is flat has rapidly grown of late, largely through dissemination via countless Internet sites and the influence of social media. Unfortunately, many Christians have fallen prey to this, misled into believing that the Bible teaches the earth is flat and that, until five centuries ago, the church likewise taught that the earth is ...
