Thesaurus results for WELL-KNOWN - Merriam-Webster

Well-known text (WKT) is a text markup language for representing vector geometry objects on a map. A binary equivalent, known as well-known binary (WKB), is used to transfer and store the same information on databases. The formats were originally defined by the Open Geospatial Consortium (OGC) and described in their Simple Feature Access. The current standard definition is in the ISO/IEC 13249-3 ...

We all have fears, right? They range from the subtler things like a fear of spiders (arachnophobia) to the more serious fear of people (sociophobia). But did you know there are many celebrities and historical figures who have suffered from phobias just like you? While most of them fear simple things like you and me, some are just a little bit more extreme.

Well, let's see. We know for a fact that Anglin used to publish Joshua Goldberg, and we now know that not only is Goldberg Jewish, but he's anti-white (and anti-Muslim) and his fake personas were being publicized by Rita Katz of SITE Intel as both an "anti-semite neo-nazi" as well as a "radical anti-semite ISIS terrorist."

One of the most common questions I hear related to preaching is, "How long should a good sermon be?" The best answer I've heard is from John MacArthur who said, "As long as it takes to cover the passage adequately. If you have nothing worthwhile to say, even twenty minutes will seem like an eternity to your people."

The Average Sermon Length of These 10 Well Known Pastors ...
