Income Tax Fundamentals Chapter 6

Income taxes in the United States are imposed by the federal, most state, and many local governments. The income taxes are determined by applying a tax rate, which may increase as income increases, to taxable income, which is the total income less allowable deductions. Income is broadly defined. Individuals and corporations are directly taxable, and estates and trusts may be taxable on ...

CHAPTER 1 Introduction to Taxation - Cengage

The IRS has defined two specific types of income: earned and unearned. Understanding the differences between the two is necessary for paying federal and state income taxes. You'll also need to know whether your income is earned or unearned if you wish to take advantage of certain tax-deferred investments.
