Hands-On Courses. IOF is the first non-profit dedicated solely to Interventional Orthopedics. Our competency-based Physician Education Program has the potential to revolutionize regenerative medical education by personalizing physician learning in a clinical environment.

Physician Education - Interventional Orthopedics Foundation

Neurodevelopmental maturation takes place in a social environment in addition to a neurobiological one. Characterization of social environmental factors that influence this process is therefore an essential component in developing an accurate model of adolescent brain and neurocognitive development, as well as susceptibility to change with the use of marijuana and other drugs.
