Jeep Grand Cherokee starting problem - 343 reports. Learn about this problem, why it occurs, and how to fix it.

starting problem : Jeep Grand Cherokee Miscellaneous

I had my fuel injectors and spark plugs changed last month due to a check engine light and code saying that I had a cylinder misfiring. Today the check engine light came back on, and started flashing. I feel the jeep shake like it did before the prior repairs and I smell gas when I'm driving. Is this something to do with the previous issue, or something different?
