A hi-top fade is a style of haircut where hair on the sides is cut off or kept very short while hair on the top of the head is very long.. The hi-top was a trend symbolizing the golden age of hip hop and urban contemporary music during the 1980s and the early 1990s. It was common among young black people between 1986 and 1993 and to a lesser extent in the mid-1990s (1994-1996).

"Here we have a diminutive little sub, with quite a lot of engineering effort and trickle-down technology from previous more expensive Paradigm Signature and Reference models. The Monitor 7 Sub 10 is quite unassuming in both size and cosmetics, and there are many much less expensive seemingly comparable models out there from both reputable speaker companies and those whose products are as ...

An adorable origami dress card from How About Orange has been floating around Pinterest for a few weeks. I thought it was so much fun that I made a variation of it for this week's make-and-take at MLO. I cut 5 inch squares from thin scrapbook paper—a lot of scrapbook papers are too thick for origami, so make sure you find something not much thicker than copy paper.
