The transformation that happens during kindergarten is astonishing. At the start of your year, many of your children will be holding their books upside down and backwards and making letters look like squiggles, but by the end the year, they will be reading and writing for their own important purposes.

Q&A with Paul Tough. What made you want to write How Children Succeed?. In 2008, I published my first book, Whatever It Takes, about Geoffrey Canada and the Harlem Children's Zone. I spent five years reporting that book, but when I finished it, I realized I still had a lot of questions about what really happens in childhood.

How Children Succeed | Paul Tough

Plus definition: You say plus to show that one number or quantity is being added to another. | Meaning, pronunciation, translations and examples

Plus definition and meaning | Collins English Dictionary
