Editor's Note: Training and Human Resource Development (HRD) improve performance in competitive business environments. Instructional technologies play a key role in assessment, design, development, delivery, evaluation, and management of training programs.

### **Instructional Technologies in Human Resource Development:**

A little over a century ago, men of the ilk of Scott, Shackleton and Mawson battled against Antarctica's blizzards, cold and deprivation. In the name of Empire and in an age of heroic deeds they created an image of Antarctica that was to last well into the 20th century—an image of remoteness, hardship, bleakness and isolation that was the province of only the most courageous of men.
