### **IKMC**

At Math Kangaroo, our Development Team combines efforts and skills to emphasize our organization's educational mission. We propose and edit word problems for the international Math Kangaroo competition, and we compose solutions of the questions selected for the competition, which we publish in booklets and books and as video presentations.

### **Our Development Team - mathkangaroo.us**

Singapore Math Kangaroo Contest (SMKC) is a unique competition, different from the other math competitions such as math Olympiad. Its syllabus is less advanced than other Olympiad competitions, and students can compete without any special training or advanced knowledge.

### **SMKC - Singapore International Math Contests Centre**

Students around the world (from Beijing to Delhi, to London) learn mathematics and RSM believes in measuring our results against an international bar. As an international math competition across over 40 countries, the Math Kangaroo helps define that bar and all RSM elementary and middle school students are encouraged to compete in it!

### **Math Competitions - Russian School of Mathematics**

In 2014, the competition was hosted in Latin America. In 2017, the Bulgarian association held a week-long Kangaroo summer camp. In Canada, math contest clubs for elementary school children teach "questions typical of the Math Kangaroo contest", starting with those with a visual component and helping to develop logic and spatial reasoning.

### **Mathematical Kangaroo Competition**
