OVERVIEW: This guide provides detailed step-by-step instructions on how to discover your personal core values and to use personal values in meaningful ways. As a business coach, I appreciate the power of values. I've noticed that individuals experience greater fulfillment when they live by their values. And when we don't honor our values, our mental, emotional, and physical state suffers.

### **7 Steps to Discovering Your Personal Core Values**

From their very first day in school, students should be actively engaged in learning to view the world scientifically. That means encouraging them to ask questions about nature and to seek answers, collect things, count and measure things, make qualitative observations, organize collections and observations, discuss findings, etc. Getting into the spirit of science and liking science are what ...
