Cathy Kessel has been working hard to incorporate the feedback from this blog and from other places into final versions of the progressions. Here is the close to final version of the progressions up through Ratios and Proportional Relationships. Major edits include an expanded preface, a comprehensive introduction, and some significant additions to the fractions progression.

Mathematical Musings | standards, curriculum, and teaching

Math is the language of the Universe. It can be used to describe laws of nature, calculate the growth of your savings over time or even bake a tasty chocolate cake. It is the ultimate form of expression, but people mostly find it intimidating.
