A Crosstab report (aka Contingency Table) allows you to cross tabulate at least two questions, one or more in the columns (also known as banner questions) and one or more in the rows (also known as stubs).

Crosstab Report | SurveyGizmo Help

After yesterday's post about what determines temperature, I thought I would revisit one of the most convincing evidences of Earth's greenhouse effect.. As I've mentioned before, a handheld infrared thermometer is a great little tool to help gain physical insight into the thermal radiative (infrared) effect the atmosphere has on surface temperature.

Direct Evidence of Earth's Greenhouse Effect - Roy Spencer

Más y Menos are fictional superhero twins, around the age of 12, from the Teen Titans animated television series, affiliated with the Titans East team. They are among the few heroes on the series not to have originated in the comic book. Taken out of context, their names translate from Spanish to "More" and "Less", but in their particular context (i.e. the symbols on their chests and their ...

GENERAL What is shearling? The very basic answer to that question is the skin of a sheep or lamb that has been tanned with the wool left on the hide. We are going to confuse you for a moment but stick with us as we try to be as factual as possible.

Sheepskin and Shearling FAQs and Facts From Shepherd's ...

FTL. Faster than light. This is by far the most important item of HANDWAVIUM technology in Space SF, and is absolutely necessary for the communications, TRADE, and WARFARE of the KNOWN GALAXY. No one, after all, wants to take decades or centuries to get anywhere. For this reason, even HARD SF usually makes an exception for FTL. You just can't leave home without it.

I am a long time fan of ActiveCaptain boating info. In fact, I'm pretty sure that my January 2007 Camden Public Landing review above was one the very first, as I was simultaneously writing about AC's inception here. Now the AC database and user community are both huge, but many of us "captains" are struggling with Garmin's very recent and complete rebuild of the service...
