It wasn't really needed until now. I mean emoluments clause? When the heck was that ever that important. Hatch Act? Same. Ignoring congressional subpoenas could get you jailed but having that consequence was pretty much just a paper tiger because no one really did these things before in any sort of serious capacity.

SC-21 (Surface Combatant for the 21st century) was a research and development program started in 1994 intended to design land attack ships for the United States Navy. A wide variety of designs were created and extensively examined, including an arsenal ship with 500 cruise missiles. Eventually a "tumblehome" design of around 16,000 tons with two long-range guns and 128 missile tubes was ...
