Encyclopædia Britannica - Eleventh edition and its supplements: The 11th edition brought a change in both plan and method of the Encyclopædia Britannica. Previous editions had consistently planned to provide comprehensive treatises on major subjects as well as detailed information on particulars and had inevitably lacked coherence because of the method of printing, whereby they appeared in ...

A classical language is a language with a literature that is classical. According to UC Berkeley linguist George L. Hart, "it should be ancient, it should be an independent tradition that arose mostly on its own, not as an offshoot of another tradition, and it must have a large and extremely rich body of ancient literature.". Classical languages are typically dead languages, or show a high ...
