General Overviews. Alexis de Tocqueville was the first to use the term "exceptional" to describe the United States and the American people in his classic work Democracy in America (1835–1840). Greene 1993 provides an account of the lasting presence of American exceptionalism that traces the idea back to America's origin as a British settler colony.

Mass immigration is a phenomenon the causes of which are cleverly concealed by the political elites, and multicultural propaganda is employed to falsely portray immigration as inevitable. In this article we intend to prove once and for all, that mass immigration is not a spontaneous phenomenon. What the elites try to present as an inevitability of modern life, is actually the product of a plan ...
